Get Involved with PTO

The landscape of the past school year has been more colorful than any of us could have envisioned, but our mission of supporting our Mustangs has not changed.

If you have thought about getting involved with the PTO, there is no better time than now to learn what it's all about.

Currently, we are meeting monthly over Google Meets. Once it is deemed safe, we will meet in person at Sedalia Elementary. We would love some extra hands to help create new visions to support our great teachers and students.

If you have good ideas for fundraising, want to help support our teachers & students, join the board or just learn more about what serving the PTO is all about, please connect with us via email at

sedaliapto@gmail.com.

If you would like to help with an event here or there, then serving on a committee with the PTO may be a good fit.

Rock the Barn is one of our biggest fundraisers of the year. We currently are taking items for the silent portion of the auction. We've had amazing items such as jewelry, quilts, jams, knitted items and pottery.

If you have items you would so graciously like to donate or know of family members, friends or businesses that would like to donate, please get in touch with us.

Now more than ever is a good time to get involved with your community. Please contact the PTO if you feel moved to do so.
