Sedalia Elementary Community Garden

Jardín comunitario
en la escuela elementaria de Sedalia.

En la Escuela Primaria de Sedalia, nos esforzamos en la autosostenibilidad e impulsamos a la comunidad a hacer lo mismo . Como parte de este esfuerzo, tenemos huertos comunitarios que las familias pueden “alquilar” (gratis) durante el verano para cultivar sus propias verduras y flores.

Los lechos encuadrados de nuestro jardín comunitario están ubicados en el campo de fútbol de la escuela, que tiene un sistema de riego automático. Tenemos diez camas de jardín disponibles, aproximadamente 3 pies cuadrados de espacio de jardinería.

At Sedalia Elementary School, we strive to be as self-sustainable and community driven as possible. As part of this effort, we have community garden beds that can be “rented out” (for free) by families during the summer to grow their own veggies and flowers!

Our community garden beds are located on the school's soccer

field which has an automatic watering system. We have ten garden beds available, approximately 3 square feet of gardening space.

Additionally, I will be hosting a Garden Q&A after school near the end of May for those who will be using a garden space this summer, and would like helpful tips and tricks for gardening at our school. If you would like to reserve a spot or have any questions, please contact our Sustainability Educator, Katie Wilson, at kwilson8@dcsdk12.org.

Además, seré la anfitriona de una sesión de preguntas y respuestas sobre el jardín después de la escuela a finales de mayo para aquellos que usarán un espacio en nuestro jardín este verano y daré consejos y trucos útiles para la jardinería . Si desea reservar una plaza o tiene alguna pregunta, comuníquese con nuestra Educadora de Sostenibilidad, Katie Wilson, en kwilson8@dcsdk12.org.
