Parent Feedback Form 2021-2022

Parents, please complete this form to provide information that will help us determine an appropriate class placement for the 2021 -2022 school year. Our goal is to create classes that are balanced with academic, social, emotional, behavioral, and programming needs and strengths. Requests for a specific teacher will not be considered as staff assignments are still being determined and do not play a role in our balancing process. Please complete one response for each child attending school at Sedalia next year. Submissions are due by the end of the school day on May 24, 2021.

FORMULARIO INFORMATIVO CURSO 2020-2021

Estimados padres, por favor llenen este formulario que nos ayudará a determinar una ubicación de clase apropiada para su hijo para el año escolar 2021-2022. Nuestro objetivo es crear clases que estén equilibradas con las necesidades y fortalezas académicas, sociales, emocionales, de conducta y de programación. No es posible solicitar un maestro específico ya que las asignaciones del personal aún se están determinando y no juegan un papel en nuestro proceso de equilibrio. Complete una formulario por cada niño que valla a asistir a la escuela de Sedalia el próximo año. Las entregas ,(en este caso en línea) deben presentarse al final del día escolar del 24 de mayo de 2021.
