Please check out the next video on anxiety from Dr. Scott. Cypers.

Please watch these videos if you could use some tips and tricks to help someone in your life that might be struggling with anxiety!

DCSD EXCLUSIVE - Overcoming Anxiety with Dr. Scott Cypers

In this exclusive series, join DCSD partner Dr. Scott Cypers for simple ways parents can help their kids overcome anxiety. Videos will release throughout the school year.

Calling all kindergarteners!

It is that time of year to register your kindergartener for the 2022/2023 school year.

If you or if you know someone who has a student that will be 5 years old before October 1, 2021, you can register them now!

We will need the following:

- ★ **Copy of Birth Certificate**
- ★ **Current Immunizations – we know that immunizations may not be current at this time. Submit what you have now and we will update them when school starts.**
- ★ **Proof of residence**

For more information and to start the enrollment process, [click here...](#)

If you have any questions, call or email Rochelle Sheffield at 303.387.5500 or rsheffield@dcsdk12.org

Calling on Sedalia Elementary Chicken Whisperers

Sedalia Elementary is looking for extraordinary chicken enthusiasts for the weekend and break care throughout the school year. Please email Rochelle.Sheffield@dcsdk12.org if you are interested but not sure what to do. We can set up a time to go over the things that need to be done to take care of our friends.

Here is a look at some of the things we do:

Morning Care (Anytime between 6-10 am): Letting chickens out, checking food and water levels, checking for eggs and placing in carton in coop, and saying "Good Morning" to our happy ladies!

Evening Care (Anytime between 4-6 pm): Checking for eggs, letting the girls back in for the night and locking them up tight, then singing them a lullaby before you go!

Click below to sign up and review available slots. If you are able to do both the morning and evening care for a day, please feel free to do so!

Sedalia Elementary is increasing our reading activity from Jan 10 - Feb 28 and competing to win Learning Ally's national Great Reading Games to gain recognition and prizes for our school! Reading is power!

We are so excited to share a resource with you that our school has purchased to support your child at school and at home. We want to ensure that your child is a happy, confident learner in our school and has access to all of the material we are reading.

Our school now has a membership to Learning Ally, a national nonprofit that provides access to human-read audiobooks through a reading app. They have novels from our assigned reading lists and those popular novels that other students are reading, as well as textbooks. By reading what other students are reading, we will be able to give your child the confidence they need to be an active learner in our classroom.

When students read with Learning Ally, it takes away the effort of decoding so your child can mentally focus on the meaning of what they are reading, this is often called ear reading, and it's a powerful way to stay on top of reading assignments and help students enjoy books. Don't worry, learning to read is still really important and we are working on those skills as well.

One of the best things about Learning Ally is all the books have human voices. It's like you have an extra voice helping your child with homework, and I have an extra reader to share more books with students in my classroom. Human voice helps to model what reading should sound like; it pronounces words correctly and helps to build your child's vocabulary, comprehension, and fluency in reading.

We'll be adding books to your child's Learning Ally bookshelf and they'll use the app at school. You can download the free app on your personal computer, phone, or tablet and log in with your child's credentials to add the books they want to read. We hope you take advantage of this wonderful resource we are providing to your child.

Readers are Learners. Readers are Leaders.
