2022 Sedalia Summer Experience

DUE: May 1, 2022

Dear Parent,

We are pleased and excited to invite your child to our Sedalia Summer Experience (SSE)!

WHAT: The Sedalia Summer Experience is a program offered here at Sedalia Elementary School. This is an opportunity for your child to build background knowledge and academic vocabulary for the coming school year while focusing on inquiry. Your child will benefit from the SSE program by participating in direct instruction, field trips, and multiple days of applying and creating projects to showcase their learning. We will integrate technology, strengthen our reading and writing skills, and collaborate with other students. The program includes weekly field trips to further explore the world around us. Sedalia teachers will teach this program.

WHY: Over long breaks, many children lose achievement gains they made during the school year. This is commonly known as the summer slide. The SSE is designed to help lessen or offset the summer slide by engaging students during a three-week period focused on project-based learning. A three-week commitment is necessary.

WHERE: Sedalia Elementary will be having some work done this summer so we need to change locations. We will be at Castle Rock Middle School – CRMS.

Week 1 June 6–June 9 Monday, Tuesday, Wednesday, Thursday

Queridos padres:

Estamos complacidos y emocionados de invitar a su hijo a nuestra Sedalia Summer Experience (SSE)!

QUÉ: La Experiencia de Verano de Sedalia es un programa que se ofrece en la Escuela Primaria Sedalia. Esta es una oportunidad para que su hijo desarrolle conocimientos básicos y vocabulario académico para el próximo año escolar mientras se enfoca en la indagación. Su hijo se beneficiará del programa SSE al participar en instrucción en persona, excursiones y múltiples días de aplicación y creación de proyectos para mostrar su aprendizaje. Integraremos la tecnología, fortaleceremos nuestras habilidades de lectura y escritura y colaboraremos con otros estudiantes. El programa incluye excursiones semanales para explorar más a fondo el mundo que nos rodea. Los profesores de Sedalia impartirán este programa.

POR QUÉ: Durante las vacaciones prolongadas, muchos niños pierden los logros obtenidos durante el año escolar. Esto se conoce comúnmente como el tobogán de verano. El SSE está diseñado para ayudar a disminuir o compensar la caída del verano al involucrar a los estudiantes durante un período de tres semanas centrado en el aprendizaje basado en proyectos. Es necesario comprometerse por tres semanas.

DÓNDE: La escuela de Sedalia hará algunas obras de reparación del edificio este verano, por lo que debemos cambiar de ubicación. Estaremos en Castle Rock Middle School – CRMS.
