Parents, please complete the form below. This information will help us determine an appropriate class placement for the 2022 -2023 school year. Our goal is to create classes that are balanced with academic, social, emotional, behavioral, and programming needs and strengths. Requests for a specific teacher will not be considered as staff assignments are still being determined and do not play a role in our balancing process. Please complete one response for each child attending school at Sedalia next year. Submissions are due by the end of the school day on May 23, 2022.

[Parent Feedback Form 2022-2023](#)

Estimados padres, por favor llenen este formulario que nos ayudará a determinar una ubicación de clase apropiada para su hijo para el año escolar 2022-2023. Nuestro objetivo es crear clases que estén equilibradas con las necesidades y fortalezas académicas, sociales, emocionales, de conducta y de programación. No es posible solicitar un maestro específico ya que las asignaciones del personal aún se están determinando y no juegan un papel en nuestro proceso de equilibrio. Complete un formulario por cada niño que vaya a asistir a la escuela de Sedalia el próximo año. Las entregas ,(en este caso en línea) deben presentarse al final del día escolar del 23 de mayo de 2022.
