- ★ **EXPRESS CHECK IN – PLEASE COMPLETE Express Check In if you have not done so.** This is the most important task that needs to be completed by **EVERY** parent/guardian **EVERY** year. Use your Parent Portal username and password to sign on. If you need to set up an account or need a password reset, please email <mailto:glowry@dcsdk12.org>.

Picture day was amazing!

Thank you for making picture day a success. Please share the following information with your parents. There are a number of different order stages your parents might fall into. This information will help many questions.

If you have not already ordered school pictures there is still time.

The most efficient and cost-friendly way to order is to visit mydorian.com, search for your school, click the green **Order** button that corresponds with your school picture day and place your order. This option is available for up to four (4) days after picture day.

Once all of the images have been processed. Any student that has not ordered will receive an email with a unique access code and instructions to preview their image and place an order. All orders placed using the unique access code will be shipped directly to the student's home.

Did you miss picture day or want to retake your picture?

Find your school's retake day date and order information on mydorian.com by searching for your school. A student wishing to have their picture retaken should bring their original package back to school and return it to the photographer on retake picture day.

Digital downloads are delivered based on how you ordered.

If you ordered an image download online, you will receive an email with access to your image once it is ready. If you ordered with an envelope, you will receive your download instructions when packages are distributed at the school.

Lightning Dismissal

We would like to review our Lightning Dismissal Procedures. As Monday's storm showed us, this can happen a lot in our summer/fall/spring seasons. In the event that we are in a lightning delay from now on, you will receive a text and email stating that we are in a LIGHTNING DELAY. It will look like this:

We are currently in a lightning delay.

We will not release the students outside until the threat of lightning is gone.

Students will return to their classroom until all is clear. Students that ride the bus may be late to their bus stops. If you are signed up with Smart Tag notifications, you can review as to when the bus has left Sedalia Elementary.

If parents choose to come into the school and pick up your student(s), you can come to the front door and a staff member will get your student(s). Please do not go to your students' exterior classroom door.

BUS RIDERS: Parents, if you are signed up with SMART TAG, you can see if your student(s) bus has left the school and where they are on their route. To sign up:

[SMART tag parent portal](#) – Use if you already have a username and password
