Now that we are back in the swing of things, please read the following reminders and of the policy and procedures that are put in place here at Sedalia Elementary:

- ★ We ask that all parents and guests to check in at the office and have your license scanned and receive a visitor sticker prior to going into the body of the school.
- ★ The beginning of our school day is a time where staff is finishing meetings, preparing the final touches to the classroom or a lesson, or simply taking that last relaxing breath before students come in for the day. Having parents show up unexpectedly can stall these precious few moments before school which can lead to losing time with students later on in the day. If you need to talk with your child's teacher, please either make arrangements to meet with them so they know you are coming or leave a message for them in the office. Office staff will relay your message. Students are not allowed in the school or on school property without supervision before 8:55 AM.
- ★ Some parents come in to help their kids hang up backpacks, coats, and get them started with their days. While this is done with the best intentions, it creates an interdependence on adults that hinders kids' development of independence. Please trust that our teachers have developed systems, routines, and expectations to help students complete all these tasks on their own and teachers support students as needed.
- ★ The end of the school day is where teachers and students are summing up the day's work, packing up, cleaning up, among dozens of other last minute tasks. Teachers have established their ending routines with students in mind. Protecting this time is as important at the end of the day as it is at the beginning. Our policy is that students are not pulled out of class after 3:45.
- ★ If you have a change during the day with student pick up, ex. ride the bus instead of pick up, etc. you can call the office and we can give your student an "End of the Day" message that will be delivered to them (or their teacher) after 3:45 PM. Do not leave a message if there is a change of plans for that day, call back until you speak to someone directly.
- ★ If you are picking your student up and you are not here at 4:00 PM or by the time the buses leave and we have not heard from you or the person picking up your student, they will be placed on the bus that coincides with what district transportation has provided. Thank you for promptly picking your students up at 4:00 PM. Staff often has meetings and activities that they need to attend and we are unable to watch students.
- ★ Our goal every year is to limit the amount of absences, tardies and early leaves as much as possible. Please be aware that valuable learning time is missed when your student is late or is pulled out early.

We appreciate your support in keeping our school safe, allowing staff to prepare, and allowing students to develop routines and independence!
