Dear Sedalia Families,

Sedalia Elementary receives generous donations for the upcoming holiday season and throughout the year. If your family is in need during the winter holidays, please complete this form. You can also fill out a sheet (in the office or call and we can send one home) and return it to the main office. This form can be filled out anytime during the school year.

Complete one form/sheet per family. We will try to accommodate as many requests as possible and requests will be handled on a first come first served basis.

If you need holiday assistance, please note that we need this information before Thanksgiving Break.

Donations will be distributed at the beginning of December and we will contact you via the email that you provide below.

Donations will not be sent home with children/students unless arrangements have been made. If you have any questions, please call the main office at 303-387-5500.

Estimadas familias de Sedalia,

La escuela primaria de Sedalia recibe donaciones generosas durante todo el año para la temporada navideña. Si su familia tiene necesidades durante las vacaciones de invierno, complete este formulario. También puede llenar una hoja (en la oficina o llamar y podemos enviársela a su casa) y después de rellenarla devolverla a la oficina principal. Complete un formulario / hoja por familia. Trataremos de atender tantas solicitudes que nos sean posible y las solicitudes tendrán prioridad por orden de llegada. Tenga en cuenta que necesitamos esta información antes de las vacaciones de Acción de Gracias. Las donaciones se distribuirán a principios de diciembre y nos comunicaremos con ustedes a través del correo electrónico que nos proporcione en esta solicitud.

Las donaciones no se enviarán a casa con los niños / estudiantes a no ser que se haya llegado a un acuerdo antes. Si tiene alguna pregunta, llame a la oficina principal al 303-387-5500.

Investing in Sedalia Elementary Students

2022 Mill Levy Override and Bond Proposal

The Douglas County School District's Board of Education recently voted to place a **\$60 million Mill Levy Override (MLO)** and **\$450 million Bond** on the November ballot. If passed by voters, this is how the additional funds would be invested in our school.

Mill Levy Override dollars would enable us to:

- **Make teacher and staff pay more competitive with neighboring school districts.**
- **DCSD teachers, on average, would receive a 9% pay increase.**

Bond dollars would enable us to make much needed repairs and improvements to our building:

- **Replace flooring**
- **Install new intercom system**
- **Replace entrance heaters**

 If both a **\$60M MLO** and a **\$450M Bond** are approved by voters it will cost **\$1 a week** per \$100,000 of assessed home value.

Erin McDonald, [@DougCoSchools](https://twitter.com/DougCoSchools) Executive Director of Schools for the Castle Rock region shares how Castle Rock area schools are funded, and how those schools would benefit from additional dollars.

<https://youtu.be/Fm7KHe-VUxk>

At the October 11 Board of Education meeting, Superintendent Kane addressed some misinformation about the Mill Levy Override (5A) and Bond (5B) that was published in the 2022 General Election Tabor Book (sometimes referred to as the "Blue Book").

Everything published in the Tabor Book (whether pro or con) is submitted by citizens and must be printed as submitted. Unfortunately, there is no fact-checking process prior to publication.

Below is a link to a video of Superintendent Kane's comments on October 11, as well as a written summary that addresses claims

made in the Tabor Book. We encourage you to share this information with your staff and families to help address some of the misinformation that was published.
