On behalf of the Sedalia Elementary Parent Teacher Organization and the Sedalia Artists Community, we are asking for support to create a new welcome sign for our Elementary School. This exciting project will involve students from the school and local artists to come together to design, repair, and invigorate our Elementary School's Welcome Sign.

The funds raised will help us create a beautiful, welcoming sign for the front of our school that best represents our community and the amazing, creative people that make it up.

The Sedalia Artists Community is a non-profit and can send tax-deductible receipts for all donations. Thank you for supporting this important project, the students and artists that will be working hard to make it happen.
