## Green Ribbon Day Volunteers Needed – Monday, September 25, 2023

Green Ribbon day is fast approaching and volunteers are needed to help make this day a success. This year we will be focusing on taking care of ourselves, each other and the planet. We will be learning more about recycling and participating in a community cleanup around town. Volunteers are needed to help with Recycling Stations as well as participating in community cleanup with classes. Please email [info\\_sede@dcsdk12.org](mailto:info_sede@dcsdk12.org) if you are able to volunteer as Sedalia Elementary celebrates Green Ribbon Day.

This summer Sedalia Elementary received a grant from DCSD Sustainability to replace the fencing between the leach field and the chicken yard. We've purchased all the supplies, but need help with installing the fencing and gate.

If you have experience installing livestock fencing or just want to lend a hand, please contact [Kim Rankin](#).

**If your student is going to be absent, please call the attendance line at 303.387.5502.**

**When do you need to keep your student home?**

- **If your student vomits, they can return 24 hours from the last time they have vomited.**
- **If your student has a fever, they can return to school once they are fever free, without fever medicine.**

**Please call the office and we can help if you are not sure!**

Attendance matters! Daily attendance and engagement in learning is essential to student success at all grade levels. Colorado law directly connected to attendance focuses on compulsory school attendance, truancy and school finance. Important student attendance definitions of rates and terms include:

**Truancy** is an unexcused absence. The rate is calculated by dividing the reported Total Student Days Unexcused Absences by the Total Student Days Possible.

**Habitually Truant (Student Count):** A student is counted as habitually truant if the student has four unexcused absences in one month and/or 10 absences in one school year.

**Chronically Absent:** A student absent 10 percent or more of the days enrolled during the school year is chronically absent. All absences are included – unexcused, excused, and suspensions. The rate is the percentage of students enrolled who are chronically absent.

## CHRONIC ABSENTEEISM:

Attendance is important at all levels within the K-12 education system. For preschool, students with good attendance develop skills and good attendance habits to prepare for kindergarten. By third grade, children who missed too much of kindergarten and 1st grade fall behind in reading. Chronic absenteeism in middle school is a warning sign that students are on a path to disengagement and dropping out. In ninth grade, attendance is a clear predictor, more than test scores, that a student will leave before completing high school.

Improving school attendance and addressing chronic absenteeism aligns with the Colorado Department of Education's (CDE) mission and [strategic plan](#). In Colorado in 2021-22, 1 in 3 students was chronically absent.

Temperatures are still warm. With that said, we would like to remind students and parents of personal hygiene (showers/bathing, deodorant, etc.) and revisit our dress code. Please read the following (from CRMS school website):

- ★ My dress and grooming are my parents' and my responsibility.
- ★ Clothing will cover the 4 "B's": backs, bellies, breasts, and bottoms. Shirts

should be of a length to be tucked in or worn over a belt line. Suggestive tight shorts, leggings, skirts, and tops are not appropriate. Sagging pants, pajama bottoms, and slippers are also not appropriate. Skirts and Shorts must be a reasonable length (arm length is a good guide)

- ★ State law requires that shoes must be worn at all times.
