Have a fun and safe Fall Break! October 16 – October 20
We will see everyone on Monday, October 23, 2023

When we return from break, we will have our annual Halloween celebration on Tuesday, October 31. **If you are new to Sedalia, our tradition is to come to school dressed in costumes, parade is at 9:30, then students will participate in trunk or treat brought to us by our amazing community members. Students will then return to their classrooms for their class parties. By 11:00 am, costumes/makeup off, regular clothing on. Make sure your student has regular clothing for the rest of**

the day; you may receive a phone call if your student does not have proper attire.

If you do not want your student to participate, we ask that you bring your student at 11:00am to resume the rest of the school day.

After fall break, we will send out our Family Assistance sign up. Look for it in weekly announcements when we return!

Chicken Whisperers Needed!

We are in need of chicken whisperers to help care for our hens on weekends and during holidays. There are time slots for weekend mornings and evenings available, and extra slots open for the upcoming break in October. If you and your family would like to spend some time caring for our special girls, sign up here: [Sedalia Elementary Chicken Whisperers](#)

Please contact [Kim Rankin](#) if you have any questions.

At the beginning of the year, in Express Check In, there was a [link](#) for our Chicken Form. If you give permission to let your student(s) help with the chickens and have not filled out the form, please do so.

Questions? Call the office at 303.387.5500

This summer Sedalia Elementary received a grant from DCSD Sustainability to replace the fencing between the leach field and the chicken yard. We've purchased all the supplies, but need help with installing the fencing and gate.

If you have experience installing livestock fencing or just want to lend a hand, please contact [Kim Rankin](#).

Dear Sedalia Elementary Community,

On August 8, the Douglas County School District Board of Education unanimously voted 7-0 to place a \$66 million Mill Levy Override (MLO) and \$484 million Bond on the November 2023 ballot.

If passed by voters, these new funds would be used at our school to:

- Increase teacher and staff pay
- Enhance safety and security
 - Addition of Campus Security Specialist
- Refresh student and staff technology
- Make much needed repairs and upgrades to our building
 - Replace heaters
 - Replace flooring
 - Install new intercom system

Teachers in the Douglas County School District earn, on average, \$19,000 less compared to a neighboring school district. Additional MLO funding, if passed by voters, would enable DCSD to pay teachers and staff more competitively and to increase security staffing support for our schools.

- DCSD teachers, on average, would receive a 9% pay increase, as reflected [in these salary schedules](#)
- Support staff, such as bus drivers, educational assistants, custodians, etc., would receive a 9% pay increase
- Other staff would receive a 7% pay increase

A \$484 million Bond, if passed by voters, would be used to expand trade, career and technical education opportunities; perform safety and security upgrades; and ensure safe and adequate learning environments for students and staff. The Bond would provide for three new elementary schools in growing areas of our county, as well as the expansion of two middle schools.

If the MLO and Bond are approved by voters, Douglas County homeowners can expect to pay approximately \$200 per year for a home valued at \$1,000,000.

Douglas County Libraries

CHILDREN'S LIBRARY CARD

For Kids Under Age 15

Did you know that Douglas County Libraries offers parents and guardians the option of limiting their children's borrowing to items only in our children's collection? Our Children's Library Card limits a child's borrowing of physical materials and digital content in OverDrive, but does not limit their use of or access to library computers, WiFi, homework help, or research databases.

You may change a library account to add or remove the Children's Library Card option in person, at any time, by visiting the Welcome Desk at any of our libraries. Please have the child's library card number on hand in order to make the change.

Long Range Planning Committee Seeks Members

Are you passionate about shaping the future of education and facilities in our community? We invite you to apply for a unique opportunity to become a member of the Long Range Planning Committee (LRPC) for the Douglas County School District (DCSD). Established in 1983, the LRPC plays a

crucial role in advising the Board of Education on matters related to population trends, facility usage, school attendance boundaries, and much more.

Your expertise and insights will help shape the future of our schools and facilities while serving as a vital link between our community and the Board of Education.

Application Details:

While we accept applications from all areas of the county, we are particularly interested in individuals residing in the following areas:

- South Castle Rock
- East Castle Rock
- Castle Pines North
- North Parker
- Parents of students attending Charter Schools

Please submit your application by September 29th to be considered for this meaningful opportunity. To apply, you can just head over to the LRPC pages on the DCSD website. Or [click this link](#).

Join us in making a positive impact on the education and development of our community. Together, we can create a brighter future for our students and ensure that our facilities align with our evolving needs.

Thank you for your dedication to the Douglas County School District. We look forward to reviewing your applications and welcoming new members to the Long Range Planning Committee.

Sedalia Elementary 2023 Mill Levy Override and Bond Proposal

The Douglas County School District's Board of Education recently voted to place a **\$66 million Mill Levy Override (MLO)** and **\$484 million Bond** on the November ballot. If passed by voters, this is how the additional funds would be invested in our school.

Mill Levy Override and Bond dollars

- Increase teacher and staff pay
- Refresh student and staff technology
- Enhance safety and security
- Replace heaters
- Addition of Campus Security Specialist
- Replace flooring
- Install new intercom system

If both a **\$66M MLO** and a **\$484 Bond** are approved by voters it will cost **\$20 a year** per \$100,000 of assessed home value

Planning Today for Their Tomorrow 

www.dcsdk12.org/funding

Arguments Against the Ballot Issues

- The MLO/Bond would increase property taxes by \$200 per year for a one-million-dollar home.
- The Mill Levy Override does not have a sunset.
- Assessed property values are on the rise in Douglas County resulting in upcoming property tax increases.
- The Bond would create additional debt service for the school district.
